

Cheesy garlic dip with crostini

Ingredients

1 garlic cut in half and halved
½ onion chopped (sauté before mixing with cheese or leave raw for an enhanced onion flavour)
Cherry tomatoes
1 cup sour cream / cream cheese for thicker consistency
6 tbs mayonnaise
2 cups mozzarella (shredded)
¼ cup parmesan cheese (shredded)
Salt and pepper to taste
Chilli flakes to taste
Fresh parsley and basil to serve

Mix everything together in a baking dish, place cherry tomatoes on top, drizzle with olive oil and bake for 20-30 minutes at 175 degrees Celsius until bubbly.

Serve with toasted bread, or crostini.
